## **SCHOOL BUS UPDATE**

Malbank School and Sixth Form College are still waiting for school bus information including times and bus stops from the Local Authority. As soon as we receive it, we will update our website and let you know when this is done.

We have spoken to Arriva Buses about the change in times for the 84 commercial bus service that runs from Crewe to Chester, stopping at Welsh Row (just outside Malbank School) on route. They have confirmed that they have made a change to their bus times which does not fit in with students being able to arrive at Malbank school on time and will contact the Local Authority to see if they can work together to come up with a solution. As soon as we receive further information about this, we will let you know.

Thank you for your understanding and patience.
