

## Cheshire East Highways

### Footpath Works

Works to construct a carriageway linking Taylor Drive to Edmund Wright Way in Nantwich will resume on the week commencing 24<sup>th</sup> September 2018.

Our contractor will be constructing a concrete slab over the stream. This will be surfaced to provide a through route and works are anticipated to last 6 weeks.

#### **Further information**

In line with current Health & Safety legislation and for the safety of our workforce and members of the public, the site will be securely fenced off to prevent unauthorised access. A footpath diversion, currently in use along the south side of Williamson Drive, will remain with access over the stream until completion of the works.

Access to all properties will remain available at all times with all work confined between 0800-1700hrs weekdays only.

**Please note that occasionally the works can be rescheduled at short notice due to unforeseen circumstances such as adverse weather conditions or logistics.**

**Should you require any further information on these works, please call 0300 123 5020 or keep up to date with regular tweets @CECHighways.**

We thank you for your patience during these works.

**18 September 2018**
