

## **Have you ever wanted to learn to play a musical instrument or learn to sing?**

The music department has been given a grant by Love Music Trust for students who have never had lessons before to have a term's taster lessons free - that's 10 lessons for free! (instruments can be hired for a small cost from Love Music Trust <http://lovemusictrust.com/instrument-hire/>).

If you are interested then applications should be made to Dr Sharkey detailing what you would like to play, why you would like to play it and what would you look forward to most about the lessons and music at Malbank.

Lessons are available in Guitar, drums, all brass and woodwind, voice, piano and keyboard. This is open to ALL students.
