9th September 2022

Dear Parent/ Guardian,

Unfortunately due to unforeseen circumstances we will no longer be serving a number of stops on our route 2 services in the afternoon only.

The stops that we will no longer be able to serve in the afternoon are Crewe Road, Berkerley Crescent, Nantwich Road Aldi, Edleston Road (All of these stops are served by the route 84 Arriva bus. Please contact them for their times.) Earl Street and Hungerford road (The route 84 Arriva bus stops in the bus station but the children would have to walk from the bus station) Sydney Arms.

The changes to the timetable will commence on 19th September 2022.

We have altered the return timetable on the remaining drop off points in the afternoon and would ask if all of the students get on the right vehicle as this would help us with numbers of students. Both vehicles should finish their route at about the same time so there should not be an issue with choosing to go on the one to get them home sooner.

We have been inundated this year with unprecedented numbers of students that want to use the service and we only have a certain amount of space. We have put an extra vehicle on in the morning and this seems to be working ok. We will monitor this service and work closely with the school and thank you for your co-operation.

Yours faithfully,
Deborah Weekes
