

**WE NEED YOU TO STOP
HUNGER IN OUR COMMUNITY**

Together we can build a #hungerfreefuture

13th September 2022

Good morning,

I hope you don't mind us contacting you so soon in the new school year but we hope that you may be able to help us - our records show that we have been fortunate enough to have received support from you around harvest time in the past.

The demand for our help in the past 12 months has again been at a record high and the stock of some specific items are always running low or running out, meaning that we have to go out and buy these items. If you are organising a collection this year, and we are lucky enough to be your chosen recipient, please can we offer some guidance for the supporters on the items we are currently in need of. These are:-

Cartons of Long Life Milk / Fruit Juice	Biscuits, Chocolate & Sweet Treats
Jars of Pasta/Curry Sauce	Jam
Rice Pudding /Custard	Shampoo
Tinned Fruit	Shower Gel

We have recently been blessed with very generous donations of Pasta, Baked Beans and Breakfast Cereal and as such these are not currently on our Wish List.

If you do collect for us, please advise when the harvest collection will be taking place so we can plan our volunteer rota, around this very busy time and either arrange a collection date or delivery into our store room.

Your support is highly appreciated, without the generosity of individuals, community groups and schools like yourselves we would not be able to support the vulnerable in our community with emergency food parcels.

Kind regards

Caroline Brown
