

Malbank School & Sixth Form College

Rejoice in being the best that we can be.

Dear Parents / Carers

September 2026

Overview of the Year 9 Curriculum Head, Heart & Hand

The knowledge and skills we want our students to learn and develop at Malbank School is our core purpose. We continuously review our curriculum provision in Key Stage 3 to ensure that our students have the very best opportunity to make progress and be the best that they can be. Identifying what they need to learn and the order in which they learn knowledge and develop skills is key to this.

At Malbank, we believe that there should be clarity and consistency so that staff and students are clear on what knowledge and skills should be taught and learned in each curriculum area, academic year, topic and in each lesson. It is also important that it is clear how the Year 9 curriculum builds on what they have learnt in Year 7 and 8.

To support with this, we adopt a Head, Heart & Hand curriculum model which takes into account all aspects of the National Curriculum.

Head represents the key knowledge to be learned.

Heart represents the key personal skills that will be developed and also help students to understand the world around them.

Hand represents the key skills that will be developed as a result of the knowledge learned.

I have included a topic overview at the end of this letter so that you can see what topics your child will be covering this term in each curriculum area, so when if like my children they tell you that they did nothing in school that day you will be able to ask about specific topics.

More information about the Year 9 and whole school curriculum can be found on our website - [Malbank School & Sixth Form College - Curriculum](#) or www.malbank.com and follow the links for curriculum.

Please remember, that these are overviews and sometimes topics may take a little longer or not as long to get to grips with, to secure the knowledge and skills needed to move on.

I hope that this information is useful. If you have any concerns over how your child is progressing, please don't hesitate to get in touch with your child's Progress Manager or the Key Stage 3 team.

Yours Sincerely,
Janine Edwards – Deputy Headteacher

 Headteacher: John D. Harrison B.A. (Hons.)
