**Are you ready to  
make a difference

# What does it mean to be a house captain?

As a House Captain you will represent the voice of all students at Malbank. As part of the role, you will need to find out what is important to your fellow students and ensure issues are highlighted to the House Captain Team. Together, you will collaborate to find workable solutions to problems faced by the student body.

You will be part of discussions around key decisions made within school. For example, last year the team discussed changes to form time and PDL. This year, our first discussion will be HOMEWORK!
