EVENTS

Do you have
what it takes?

Y7 Castle Project

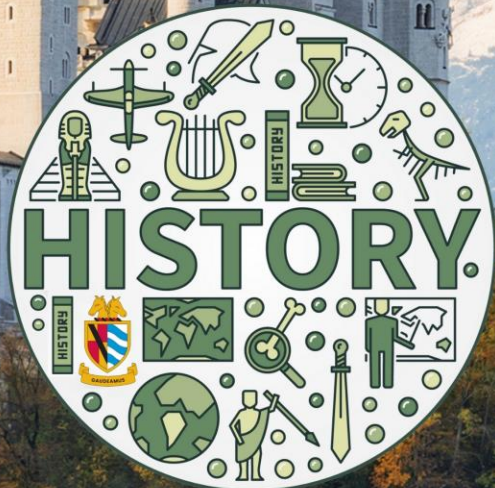

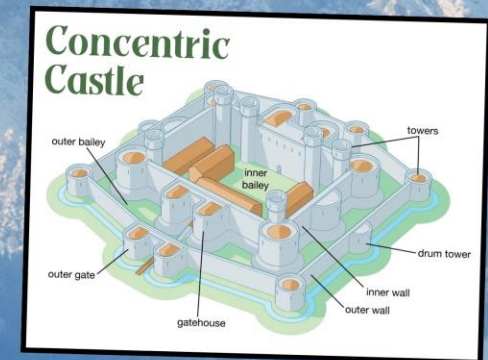

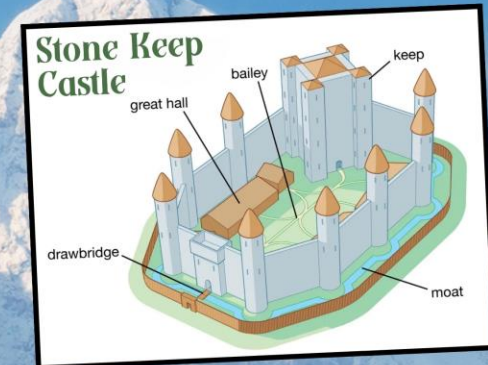

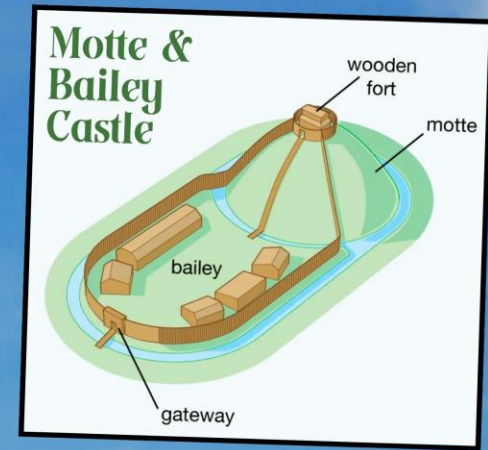

The History Department holds its annual competition where Y7 students submit their model castles. Prizes are awarded for the most creative design & the most historically accurate.

Students can choose to build a model of an existing castle or a style such as a Motte & Bailey, a Square/Stone Keep Castle, or a Concentric Castle using whatever materials they have. There is no need to pay for materials; ingenuity and effort are as important as a 'polished' project.

If you struggle to source materials, come to A22 at lunch on Monday, March 4th, 11th, & 18th, and you can build your project in school.

The submission deadline is 25th March, & judging will take place on Wednesday, 27th March.

All entrants will gain house points, house stars & prizes!

House Pebble Painting Challenge

Join us in Art every Monday during lunch
& let your creativity shine as you
personalise your own pebble or sea shell.
There are prizes & House points to win.
Everyone is welcome!
