

Accessing Sparx Maths and Sparx Reader

To access both Sparx Maths and Sparx Reader you can use the links below or search for them in your web browser:

<https://sparxmaths.com>

<https://sparxreader.com>

Once you are at the homepage click log in, in the top right corner.

If you are a first-time user, it will then bring up a screen asking you to select the correct school.

A screenshot of the Sparx Reader "Select your school" screen. The title "Sparx Reader" is at the top in a large, dark blue font. Below it, the heading "Select your school" is centered. Underneath, the text "Start typing the name of your school to begin searching." is displayed. A text input field with the placeholder "Start typing your school's name..." is provided. At the bottom, there is a "Continue" button.

Please type Malbank into this field and our school will appear. Once selected you will then be taken to the sign in page.

Sparx Reader

You are logging into:
Malbank School and Sixth Form College [Switch school](#)

Log in as a student or teacher

 Log in to Sparx using Microsoft

or

Use your Sparx login

Username:

Password:

Log in

[New student?](#) | [Forgot login details?](#)

If your child has already logged into Sparx before then they can either use their Sparx credentials to log in or they can log in using Microsoft and their Malbank school login details. This would be the same email and password used to sign in at school.

If your child has forgotten their password they can click 'forgot login details?' at the bottom of the page which will send an email to their teacher requesting access to change their password. Once they are able to reset their password they will need to input their name and date of birth again before choosing their new password.

If your child is a new user they must click 'new student?' at the bottom of the page.

Create your account

Fill in your details below to create your account

Your first name:

Your last name:

Your date of birth:

[← Back to login](#)

Submit

Once on this page your child must input their details to set up their Sparx account. Sparx Maths and Sparx Reader use the same log in system so your child will only need to do this once to access both platforms.

Once signed into the platform all homework will be accessible on your child's homepage.
