What Career are you in, and what sort of things does this entail?

Education, I'm a teaching assistant and have worked in the same school since 2001

What inspired you to go into your chosen career?

Always wanted to work with children.

What advice would you give to anyone interested in working in your career area?

Try and find a course that gives you lots of placement time as you will learn so much more than by just being in a classroom with a lecturer.

What do you know now, that you wish you'd known when you were leaving Malbank?

There's no money in childcare but the holidays are good!
