

Bethany Walker, 2011

What Career are you in, and what sort of things does this entail?

Health and social care

Supporting adults and children with disabilities in the community

What inspired you to go into your chosen career?

Volunteering for central Cheshire buddies scheme while at school

What advice would you give to anyone interested in working in your career area?

Not all care is the same, if your interested in enriching the lives of those around you and your peers just have a go. The relationships with our clients and their families are extremely important and we get paid to go out for meals, go shopping and do things we enjoy doing. Things our clients need our support to do!

What do you know now, that you wish you'd known when you were leaving Malbank?

You are an amazing individual and as long as you put effort into what you want you will achieve!
