

# *Sarah Stockton O'Brien,* *2012*

**What Career are you in, and what sort of things does this entail?**

Forensic Reporting Manager for a drugs department! I produce reports of results of the analysis of controlled substances to send to the police forces the company work for

**What inspired you to go into your chosen career?**

A lifelong interest in forensics and scientific analysis

**What advice would you give to anyone interested in working in your career area?**

Work hard and make sure you know what the career involves not just what you see on TV

**What do you know now, that you wish you'd known when you were leaving Malbank?**

That it's not as easy as you think to get into a career like forensics but if you work hard and make the right career choices at the right time you'll end up where you want to be eventually

***If you would like to get in touch with Matt to find out more about careers like this, please contact Mr Batty in the Sixth Form Office, or via Teams***
