

Abi Pettitt, 2018

What Career are you in, and what sort of things does this entail?

Working in a children's care home. This includes everything that parents do on a daily basis! I take our lovely children to school, cook, clean, laugh and cry. I take children to fun activities such as safari trips, theme park trips and even on holiday.

What inspired you to go into your chosen career?

Malbank always made it abundantly clear that every one matters, this community and family feel inspired me to help those who may be in a less fortunate position than me.

What advice would you give to anyone interested in working in your career area?

Always be yourself, keep up to day with current news and training and get lots of rest while you can!!

What do you know now, that you wish you'd known when you were leaving Malbank?

Use your teachers! They have been in your position and they know exactly how you're feeling. Utilise their knowledge, contacts and wisdom - they are there for you and they are amazing at what they do
