The Equality Act 2010 combines previous laws for gender, race religion, age, disability and discrimination; protects against discrimination, harassment and victimisation of claimants and their families; adds extra protection for parents of children with disabilities who are discriminated against and allows positive discrimination for people with disabilities.

It defines Protected Characteristics for people who use services.

- Race (includes ethnic or national origins, colour or nationality)

At Malbank School we believe that everyone has a right to enjoy school life in a safe, friendly environment. We encourage respect for others and their property and we strive to ensure that everyone is valued equally and treated with respect, regardless of aptitude, ethnic origin, sexual orientation, gender, disability or social status.

Our Single Equality scheme consists of the Single Equality policy (reviewed annually), the Accessibility Plan and this Equality Objectives action plan. The Accessibility Plan and the Equality Objectives are reviewed on a three year cycle.
