

Accelerated Reader™

Accelerated Reader

Years 7 and 8 will have access to the Accelerated Reader programme. Students will be rewarded for the books they have read and in the process be able to improve their reading comprehension. All they have to do is read a book, log on to the AR website and complete the quiz. If they pass the quiz (80% or above) they are rewarded with the number of words in that book. Their totals will then transfer to leader boards in their English classrooms and form rooms. This has been a very successful scheme over the several years and has contributed to students greatly improving their Reading Age, which then has a positive effect across the curriculum.

The web address is <https://ukhosted28.renlearn.co.uk/2233790/default.aspx>, and if you are logging on via the AR app (downloadable from the App Store) you will also need to enter this code: **MSSFC-18AI**.

Your child's username in most cases is their first initial followed by the first 4 letters of their surname (e.g. John Smith would be jsmit). Occasionally, usernames are slightly different and your child will know if this is the case. All passwords are **abc**.

Please take the time to familiarise yourself with the website, and keep checking the relevant section of www.malbank.com. If you have any questions don't hesitate to get in touch with me vcn@malbank.cheshire.sch.uk

Good luck!

Miss V Nadin

Assistant Curriculum Leader for English and Reading Lead.
