## Level 1/2 Technical Award in **Child Development & Care in the Early Years (CACHE)**

Our V Certs are designed in collaboration with employers to ensure they equip individuals with the skills the workforce needs.

They empower pupils with industry-relevant skills and knowledge appropriate to a range of growing sectors.

V Certs are combined Level 1 and Level 2, to recognise the achievements of pupils of all abilities. They're graded from Level 1 Pass, Merit, Distinction, through to Level 2 Pass, Merit, Distinction, Distinction\*, which is the equivalent to GCSE grades 8.5-1.

This qualification will help pupils learn about the effects of biological and environmental factors on the growth of a child, the importance of play and activities in a child's healthy development, and understand the ways to make a positive impact in this field.

### **What's next?**
